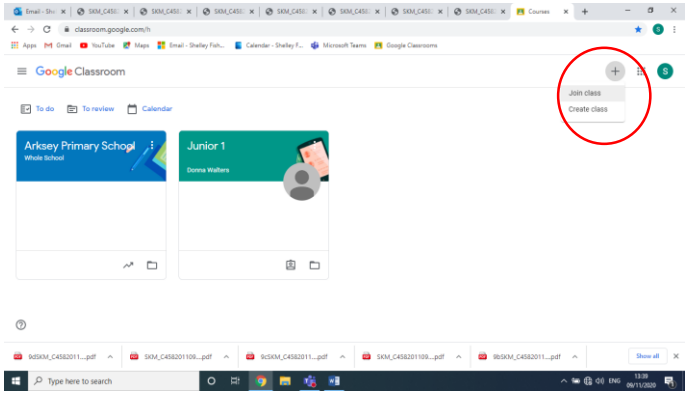
Getting started with Google Classrooms…

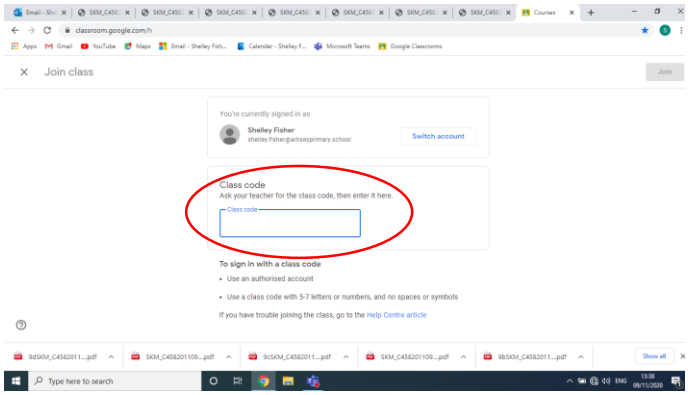
Log in in to Google Classroom using your child's unique username and password that has been supplied to you by text. (The username looks like – ab@arkseyprimary.school) Once you have signed your child in…

Join your child's class by clicking on the + towards the top right corner. Select Join Class.



Enter the class code for your child's classes… (use copy and paste for the code to avoid any typing errors). There are also some individual codes for 1-1 support sessions which have been sent by text to specific parents.

First Class Blue	J1	J2
Assembly - srajfdx	Assembly - srajfdx	Assembly - srajfdx
1st Class - qjos5cq	J1 – efysltt	J2 – 34sgiaw
PE -	PE (and access to after school club) -	PE (and access to after school club) -
Art – vn72wv7	Art – ei3nrel	Art – 6ndambk
DT – x7kpg3v	DT – o6ot6qe	DT – 4u3ay5y
Music – vx76pu4	All individual children's 1-1 codes have been sent.	



Click Join, in the top right corner.

Use the To-Do list to see the learning tasks that have been set for today. Look in Missing to check if your child has not completed work set previously. Look in Done to see what your child has already completed.

Remember to click Turn In, rather than Share, when your child has finished the task. Your child will be asked to click Mark as Done when there is no worksheet, etc. Your teacher will mark your work and you will be able to see the score/comments.

If you have any problems, either use the Class Stream (Share something with your class) on your class home page, and others in the class may be able to answer your question, or get in touch with your class teacher through the direct message inside each lesson. Contact the office if you need help with logging on, finding or submitting learning.
