Using Xbox or PlayStation to access Google Classrooms

If any of your children don't have access to a device for remote learning, or if it would be helpful to use a bigger/additional screen, you might like to access Google Classrooms through an x-box or PS4.

Trying to type responses is very arduous unless you are able to plug in a keyboard to the USB port, but watching video clips etc. is easy to do.

Xbox

1. Plug in a keyboard into the Xbox USB port.
2. Go into my games and apps.
3. Find Microsoft Edge and select.
4. Type in Google Classrooms and click on the first link in the list and log in using the @arkseyprimary.school login and password you have been sent by text message.
5. You can then access your learning tasks and use the google docs, etc that are within the learning platform.
6. To move around the screen, use the Xbox controller or plug in a USB mouse.

PlayStation

1. Identify the PlayStation internet browser icon. (It is WWW with dots around it.)
2. Press the PS4 logo on the controller.
3. Go to the library and find options for games and applications.
4. Go into applications and you will find the internet browser.
5. Type in Google Classrooms and click on the first link in the list and log in using the XX@arkseyprimary.school login and password that school have sent via text message.
6. You can then access your learning tasks and use the google docs, etc that are within the learning platform.
7. To move around the screen, use the PS4 controller or plug in a USB mouse.

We have laptops available for loan if this option doesn't work for your child. Please contact the school office.
